

How to Setup Your CELLiS Wallet

To set up an order, please login to the CELLiS cloud here:
<https://cloud.mycellisnow.com>.

A screenshot of the CELLiS login interface. It features the CELLiS logo at the top left. Below the logo are two input fields: "Username" and "Password". Under the "Password" field, there is a checkbox labeled "Remember me" and a link labeled "Forgot password". At the bottom of the form is a large blue button with the text "LOGIN NOW" and a right-pointing arrow.

1) Login to your backoffice and choose Manage from the top menu > Wallet.

2) As it's the first time you are accessing your Wallet, you will need to enter in some mandatory information to proceed. This includes your Social Security Number or EIN. You also have the option to choose Individual or Company, plus add a co-applicant.

When you're done on this screen, click the green "Continue" button at the bottom.

Application Type Individual Company

3) When you clicked "Continue", in step 2, an email was sent to you with instructions for registering your eWALLET (powered by iPayout). CELLiS has partnered with iPayout to manage your commissions.

4) After you receive the email, click on the link and use the login details provided to activate your account and begin the Setup Wizard. It typically takes 1 to 3 minutes to complete your eWallet setup.

5) eWALLET Setup

Step 1: Complete the required profile information. The information will be pre-populated for your convenience. Should you need to make any changes, please do so at this time.

The image displays the "Step 1: Account Information" form. At the top, it says "Step 1: Account Information" and includes a note: "Please enter your name exactly as it appears on your government ID. Also do not enter P.O.Box address." The form is pre-filled with the following information: User Name: ip001, First Name: John, Last Name: Doe, Address 1: 123 Main Street, Zip: 33009, Address 2: 1239871234, City: (empty), Cell Phone: (empty), Country: United States of America, State: Florida, Date of Birth: 1 Jan 1954, Email: myemail@mail.com. There is an "Optional" section for "Company Name" with a note: "Note: Please enter the company name only if you own at least 15% of this company. If you enter company name, all your eWallet emails will be sent on this name and your bank accounts will be setup on this company name only." Below this is a checkbox labeled "I agree to the above note". At the bottom, there is a "Country of Citizenship" dropdown menu set to "United States of America".

Step 2: Review and agree to Terms and Conditions

Step 2: Agreements

- I have verified that all of the information shown is correct.
- I agree to terms & conditions. [Click here to read Terms and Conditions | Privacy Policy](#)

To view the eWallet fees, click: [Fee Schedule](#)

Step 3: Set up the Transaction PIN, which will be required to authenticate all eWallet transactions and ensure confidence that your account is secure.

Step 3: Transaction PIN

- Your Transaction PIN is an extra layer of security.
- You will be asked to enter this PIN before completing any transaction within your eWallet.
- Please enter any 4 - 10 digit number of your choice as your transaction PIN.

.....
An answer to a security question will be required to reset your PIN. An answer cannot match with your first and last name, your email address, PIN, and phone numbers.
